PLANNING SESSION SCHEDULED FOR MANUFACTURERS OF METAL OFFICE FURNITURE

The current State contract for metal office furniture expires December 4, 2007. In preparation for issuing a solicitation in 2007, the State is holding a pre-solicitation planning session with current contractors (manufacturers) & other interested metal furniture manufacturers. The reason for the planning session is to give vendors an opportunity to provide input on the best approach to take with the upcoming solicitation.

The pre-solicitation planning session is scheduled for 2:00 pm, Monday, January 8, 2007. The pre-solicitation planning session will be held in the Materials Management Office conference room located on the 6th floor of the Capital Center Building, 1201 Main St., Suite 600, Columbia, SC 29201.

Because of limited space, we ask that each contractor or interested metal furniture manufacturer only send a single representative to the planning session.
